

Day 24 – July 13, 2025

Topic: Final Project Wrap-Up & Presentation Skills

Introduction

Today I finalized my project and prepared it for demo and presentation.

Tasks Completed

- Polished UI and backend functionalities.
- Prepared demo slides and practiced presentation.

Challenges Faced

- Coordinating multiple features and testing thoroughly.

Key Learnings

- End-to-end project experience is invaluable.
- Presentation skills are essential to showcase work.

Conclusion / Reflection

Proud of completing the 24-day training. Gained strong full-stack and AI integration skills. Ready for real-world applications.
